

Mediakit Indigoblau-Reiseblog

My Topics

Main Subjects of my blog are travelreports. There are many travelblogs, but this one concentrates on sustainable travel. You do not have to go far away, to find the exotic things and so I prefer to travel without using a plane. I like to tell stories about people who support a sustainable lifestyle. Mystic and spirituality are big part of my blog as they are in my life.

My readers

- Are interested in green topics
- love nature
- are active and like to give comments
- Like outdoor things, spirituality and sustainable lifestyle
- are creative

What I offer

- Journalistic experience since more than 25 years
- Profound research
- Blogposts with storytelling
- own picturestyle
- Stories and pictures that stay in mind
- One of the very few German travelblogs specialised in mystic topics and with a long spiritual experience behind it
- All followers are real ones

What I am looking for

- Support for individual research
- mediatrips
- Cooperations with destinations, tourist information, helping me to find the stories I can tell
